Generali Global Corporate & Commercial North America Releases Centurion 3.0

Insurance offering leverages partnership with Generali Global Assistance to provide augmented insurance and assistance solutions to suit the unique needs of U.S. multinational corporations

New York, April 17, 2018: [Generali Global Corporate & Commercial](#) (GC&C), a leading provider of multinational property, casualty, and specialty insurance and part of the global Generali Group, today announced that its United States branch has released a new and enhanced version of [Centurion](#) – its international casualty offering for multinational corporate and commercial organizations.

Centurion is a holistic global insurance and assistance solution that provides protection for risks associated with global operations, addressing potential gaps in coverage stemming from general liability, employee injury, automobile and property exposures, and employee travel, among other risks. As a Controlled Master Program, Centurion offers global coverage consistency, centralized management and timely resolution of any issue. GC&C launched Centurion in 2015.

Bill Skapof, Head of Generali Global Corporate & Commercial North America, commented on today's news, *“Over the past three years, we have paid close attention to feedback received from our global clients and brokers. We took that feedback into account and are pleased to roll-out this latest version of Centurion which is truly a bespoke insurance solution for global risks. The latest version incorporates all of the previous iterations and enhancements, while adding a robust lineup of new benefits that focus on helping employers insure their most valuable asset – their employees.”*

Through its partnership with [Generali Global Assistance](#), a leader in the assistance industry and part of the Generali Group, GC&C has bolstered the already comprehensive product package to offer even greater risk management solutions, including:

- Benefits for accidental injuries resulting in paralysis
- Tragic accidents on a common carrier
- Additional benefits for when proper safety precautions have been met (e.g. wearing a seatbelt)
- Benefits for employees with children to help with education and/or daycare costs
- Trauma Counseling
- Rehabilitation training
- Necessary home modifications and vehicle alterations
- Costs for hearing aids or prosthetics
- Spousal/partner retraining
- Benefits for victims of assaults or carjackings

Chris Carnicelli, CEO of Generali Global Assistance, said *“As an assistance company, helping people through some of life's most difficult challenges is in our DNA. We are proud to be able to provide this new suite of services to GC&C's corporate clients and their employees around the world, as well as deliver on our value proposition of 'non-stop caring' for our customers.”*

GC&C developed Centurion's robust policy forms in-house, offering an industry-leading highly customizable solution to uniquely suit the requirements of each customer. The policy comprehensively services clients' global property, casualty, and specialty insurance needs through a single, integrated coverage package. Centurion is backed by the global

infrastructure and expertise of the Generali Group, one of the world's leading insurers. GC&C leverages Generali Group's global scope and experience in creating multinational programs to provide best-in-class corporate and commercial solutions.

Skapof concluded, *“Our goal is to provide the most comprehensive insurance, assistance, and risk management program on the market to U.S.-based multinational organizations, and I firmly believe that our latest Centurion product accomplishes this. This new version also provides benefits for coma or brain damage victims, excess medical expenses while travelling for work, indemnity payments during hospital confinements, and coverage for burn victims. It even has coverages for home property damages while travelling and pet care costs due to hospital confinement.”*
