OUR GLOBAL SOLUTIONS & SERVICES

YOUR CHALLENGES ARE OUR BUSINESS

GC&C combines **integrated insurance solutions with value-added services** to support clients in managing complex risks and enabling business growth at a global level.

Solutions represent the **core insurance offering**: tailored, flexible and globally coordinated coverages. **Services** represent the **added value beyond the policy**: expertise, advisory and operational support.

MANAGING RISK ACROSS A COMPLEX GLOBAL INDUSTRY

FROM AIRPORTS TO THE OPEN SKIES, LET GENERALI TAKE YOU UNDER ITS WING

Aviation is one of the **most complex and dynamic industries**, where safety, reliability and operational resilience are non-negotiable. Companies across the sector must **navigate an increasingly challenging risk landscape** shaped by **geopolitical instability, extreme weather events, supply chain disruptions, volatile energy costs and rapidly evolving regulatory frameworks**.

In this environment, effective risk management is not simply a safeguard — **it is a strategic enabler of performance, continuity and growth**.

From aircraft design and manufacturing to operations, maintenance and airport services, organisations face interconnected risks that require deep industry expertise and tailored solutions.

As the aviation ecosystem becomes more integrated and technologically advanced, the ability to **anticipate emerging threats, mitigate operational complexity and strengthen resilience across the value chain is critical**.

Businesses need specialist risk partners who understand the sector's unique challenges and can help them operate with confidence in an increasingly uncertain world.
