OUR GLOBAL SOLUTIONS & SERVICES

YOUR CHALLENGES ARE OUR BUSINESS

GC&C combines **integrated insurance solutions with value-added services** to support clients in managing complex risks and enabling business growth at a global level.

Solutions represent the **core insurance offering**: tailored, flexible and globally coordinated coverages. **Services** represent the **added value beyond the policy**: expertise, advisory and operational support.

NAVIGATING EVOLVING MARINE RISKS, TOGETHER

PROTECTING GLOBAL TRADE, ASSETS AND OPERATIONS WORLDWIDE

The maritime industry is central to global commerce, but **today's shipping landscape is increasingly exposed to geopolitical tensions, piracy, cyber threats, climate events and evolving regulation.**

Larger vessels, higher cargo values and more interconnected supply chains mean that a single disruption can quickly affect **operations,**

contractual commitments and business continuity.

In this environment, **businesses need a partner combining global expertise, specialist knowledge and tailored risk solutions** to protect critical assets, strengthen resilience and keep trade moving.

MARINE AT GC&C

OUR APPROACH

At GC&C, we work closely with **clients, brokers and specialist teams** to design **marine solutions tailored to the realities of each business**. Our approach combines **technical underwriting expertise, local market knowledge and global coordination**, supported by **dedicated underwriters, risk engineers and claims professionals** across a network spanning more than **200 countries and territories**.

With hubs in Genoa, Hong Kong, London, Madrid, Paris, Prague and São Paulo, we combine **local insight with international coordination**.

Our teams adapt policy language to local and international requirements, monitor market and industry developments, and respond quickly as client needs evolve in a fast-moving maritime environment.

Our global network allows us to design **marine programs around each client's specific needs**, helping businesses address today's challenges while preparing for the risks ahead. We bring together the **people, tools and expertise** needed to support resilient marine operations.
